Complete Book Design and Publication Setup

Paper Chain Book Publishing Services offers quality book design and publication management services for independent authors. Our complete book design and publication setup package has everything you need to release your book into the world, including:

- ✓ A full book cover (front, back, and spine) built around your chosen image
- ✓ A book interior formatted to meet the style standards of the major book publishers
- ✓ An ebook formatted for proper display of text on all major e-reading apps and devices, including Kindle, Nook, Apple Books, and Kobo.
- ✓ Complete setup of your book for printing and distribution through print on demand, including:
 - ✓ Registering your book's ISBNs
 - ✓ Registering your book with the US Copyright Office
 - ✓ Registering your book in the Library of Congress's Preassigned Control Number program
 - ✓ Set up of your account with IngramSpark to make your book available to all major bookstores
 - ✓ Optional setup of your book through Kindle Direct Publishing for direct sales on Amazon

Starting at \$4,650 for fiction or narrative nonfiction books (memoir, essay, etc.) with up to 80,000 words and ten images.
